21 March 2023

09.30 - 11.30 (UTC/GMT +1)

C03EN: Calibration of Scales

Franco Basilico
Quality Management Manager

www.cibelab.it

Contact us

Objective of the webinar: The webinar aims to provide the technical knowledge for performing these calibrations.

To whom it is addressed: to anyone who needs to calibrate scales or who needs to develop a correct calibration methodology.

When: Tuesday, 21 March, from 9.30 to 11.30 (UTC/GMT +1)

Topics:

- Regulations / Applicable documents
- Eccentricity tests
- Repeatability tests
- Linearity tests
- Calculating scale uncertainty

Cost: 75,00 € per person.

NOTES

After sending the registration request email, you will receive, within 4 days from the webinar start date, an email of “CONFIRMATION OF COURSE ACTIVATION” and, after payment of the registration fee, an email containing the link and instructions to access the course. CIBE Srl reserves the right to accept the registration after checking the completeness of data sent and verification of the availability of seats.

Upon receipt of the e-mail “CONFIRMATION OF COURSE ACTIVATION”, please send, within 2 days from the date of the course, a copy of the bank transfer certifying the payment of the course fee (unless otherwise agreed with CIBE Srl), by **e-mail**.

CANCELLATION

CIBE SRL reserves the right to cancel the course and notify the participant within 4 days from the date of commencement, in which case, any fees paid will be refunded in full or retained for a subsequent edition if indicated by the participant.

SUBSCRIBER’S CANCELLATION

Any cancellation by the person enrolled in a course must be communicated by this e-mail.

In case of renunciation, one of the following three clauses will apply:

R1 - in case of cancellation received before the receipt of our email “CONFIRMATION OF COURSE ACTIVATION”, no penalty will be applied and any fees paid will be refunded in full.

R2 - in case of cancellation received after the receipt of our email “CONFIRMATION OF COURSE ACTIVATION”, CIBE will retain 50% of the registration fee paid.

R3 - in case of absence from the course, without any written notice of cancellation, CIBE will retain 100% of the registration fee paid.
